About the Addiction Policy Forum

The Addiction Policy Forum is a nationwide nonprofit organization dedicated to eliminating addiction as a major health problem. Our national headquarters are located in Bethesda, MD with resources and services in every state. Founded in 2015, our strategic priorities include helping patients and families in crisis, ending the stigma around addiction, expanding prevention and early intervention, increasing the uptake of evidence-based practice and advancing patient-led research.

Our strategic priorities make an impact every day.

Accreditation

Jointly provided by Partners for Advancing Clinical Education (PACE) and Addiction Policy Forum

Target Audience

This activity is intended for physicians, registered nurses, nurse practitioners, psychologists, and social workers who care for patients with a substance use disorder.

Educational Objectives

Upon completion of this activity, participants should be able to::

- Identify the different types of stigma and how they impact both those with a substance use disorder as well as their family.
- Describe the effectiveness of two evidence-based strategies shown to decrease addiction stigma and correct misinformation.
- Facilitate a survey to evaluate the stigma around addiction within a community or organization.
- Discuss how to deliver evidence-based stigma initiatives to engage the community or an organization to reduce overall addiction stigma.
- Review evidence-based treatment options available to treat a substance use disorder by understanding the science behind addiction and the signs and symptoms of substance use disorder.

Disclosure of Conflicts of Interest

PACE requires every individual in a position to control educational content to disclose all financial relationships with ineligible companies that have occurred within the past 24 months. Ineligible companies are organizations whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. All relevant financial relationships are mitigated according to PACE policies.

Americans with Disabilities Act

Event staff will be glad to assist you with any special needs (i.e., physical, dietary, etc). Please contact Kayla Zawislak, LCSW, CADC prior to the live event at kzawislak@addictionpolicy.org.

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Partners for Advancing Clinical Education (PACE) and Addiction Policy Forum. PACE is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician Continuing Education

PACE designates this live for a maximum of 10.0 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Psychologist Continuing Education

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs.

Credit Designation

This program offers 10.0 continuing education credits for psychologists.

Social Work Continuing Education

As a Jointly Accredited Organization, Partners for Advancing Clinical Education is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 10.0 Clinical continuing education credits.
